

GCSE ENGLISH LANGUAGE

- 1. Practice writing. Develop a style but be clear. Follow a structure which is clear to follow.**
- 2. Write a quote. Talk about HOW it is effective. If you say, there is contrast, you MUST explain it. Ask yourself, so what?**
- 3. When it says 'Evaluate' use words like successfully, effectively, powerfully to show HOW the writer does what they are doing.**
- 4. Unpack the quote fully. Select 3 quotes and talk about them critically instead of 10 quotes half-explained.**
- 5. Learn what how different features elevate a passage. What does contrast, sentence structure, alliteration do. You can apply these to any text.**
